

## Female SD shirt conversion

The following conversion charts show the old sizes that we are used to using and the new sizes that these have been converted into. When you order one of the sizes listed in the centre column, 3LOGFLT will provide a shirt equivalent to the old size that you are expecting. 3LOGFLT can only supply for these sizes. SSOs are not to order any other size.

Long Sleeve			Short Sleeve		
To receive this Size	Order this in C-LOG	May also be received marked as size	To receive this size	Order this in C-LOG	May also be received marked as size
70S	contact LOGFLT by email to order	4S	70	33/75	4
